PEX in comparison with other regional exchanges

News

- PEX Concluded on March 22nd 2017 a workshop in "Treasury Stocks" held at the Movenpick hotel in Ramallah. The workshop was moderated by PEX chairman Dr. Farouq Zuaiter and attended by representatives of Palestine Capital Market Authority, listed companies, member firms, academics and interested persons. The workshop is part of PEX awareness efforts, which aim to enhance the securities sector, in cooperation with other stakeholders, by introducing new financial instruments, benefiting from the experience of both regional and international financial markets.
- PEX Launched the 10th version of the stock simulation contest on Monday March 27th, 2017 with the participation of 280 students from 12 national universities. The contest is sponsored by Arab Palestinian Investment company (APIC) for the third consecutive year. The stock simulation contest is a prominent activity of PEX awareness program; it provides a virtual stock trading environment which simulates PEX real trading. It allows students to apply the theoretical side of their studies in their investment decisions.
